

## Mobile pay

Hi!

Welcome to **One Minute Chinese** this is Bai teacher. Today I will show you how to buy things in China in local shops. When you go to the grocery or any shop. You may say“老板这个多少钱？”( How much is it ? ) and then the shopkeeper may ask you “支付宝还是微信”？( Ali pay or WECHAT pay? ) . That is a kind of new method to pay money in China. A few studies have found that almost 80% people in China are using mobile pay every day.

By the way, you can also use those apps to book train tickets, you can pay your electric bill. All of these things you can do in one app.

### 支付方式

哈喽，大家好。欢迎来到一分钟汉语学习时间。我是你们的新朋友，你们可以叫我白。今天跟大家介绍一下，在中国，中国人在日常生活中是如何购物，买东西的。在国外呢，大家普遍使用信用卡来消费，而在中国呢，你只需要一部手机，一个 app 就可以轻松搞定。当你去商店买好东西，老板就会问你，是微信还是支付宝呢？这时候你只需要打开手机，用支付宝或者微信进行扫码支付就可以了。除此之外，还可以网上购物，买火车票、机票等都是可以的，是不是很方便呢？
