大家好，欢迎来到我们的一分钟汉语课堂。今天我们来学习“算了”。

Hello, everyone. This is our One Minute Chinese lesson. Today we are going to learn a slang phrase 算了.

“算了”的意思是“忘了吧或者别管了”。它主要有两种用法：

It means “to forget it or let it go”. Mainly have two usages.

第一个：我们明天还去海边吗？

First one : *Are we still going to the seaside tomorrow?*

算了，明天下雨，改天再说吧。（suàn le , míng tiān xià yǔ , gǎi tiān zài shuō ba .) *Forget it, it will rain tomorrow, let's talk about it another day.*

“算了”也可以表示“结束关系”。比如说，当你想和你的恋人分手时，你可以婉转的告诉他“我想我们还是算了吧”。

Second one : “ 算 了 ” can also be used in “end the relationship”. For example, when you want to break up with your BF/GF, you could say “我想我们还是算了吧” (wǒ xiǎng wǒ men hái shì suàn le ba) . This is a euphemism for breaking up.
